

Camp Earth Connection Wish List

If you find any of these items in your yard, your basement, the garage, the barn, etc – I would be happy to put them to good use at Camp Earth Connection. It is always a great feeling to “Re-use” rather than purchasing new materials. There is certainly enough “stuff” in the world already. We can pick stuff up too! Thanks for your help.

- Fire brick (or clay bricks)
- Cement/Concrete Blocks
- Paint/Stain – Please note – if paint is hard and dried up, it is not useful and actually becomes an expense to dispose of. We are looking for “good paint” leftover from projects. If paint has not been stored inside, it may not be good – only way to know is to open cans and check. This will have to be done before we would take it.
- Plywood sheets (for roofing, must be in good shape – not wet)
- Paint Brushes
- Screws of all lengths
- Crow bar
- Curtains and rods(cabins)
- Table Cloths
- Cement mix, Sakrete (partial bags okay) – just add water kind
- Grills, grill tops (grates) in decent shape
- Coleman (or other brand) 2 burner propane stove (working)
- Propane Canisters (not empty)
- Battery/Solar Lanterns
- Lumber (pressure treated beams) – 4*4,4*6,6*6 or board lumber in pieces 6' or longer

Bigger Wish List (Hey you never know....)

- Old camper, RV , Pop-up or similar
- Canoe, Row boat, boat trailer
- Golf Cart, or other small motor vehicle to assist moving camping gear to sites
- Trailer with hitch (for moving equipment, hay rides)

CHECK BACK.....THIS LIST WILL BE UPDATED REGULARLY
